

The following wireframes showcase the planned user interfaces and interactions for the Rumi app. [figma](#)

Login page

A wireframe of the Rumi app's login page. The page has a light gray header bar with the text "Login page". Below it is a white content area. In the top left of the content area is the Rumi logo, which consists of the word "Rumi" in a large serif font above the tagline "Reflect, Understand, Maintain & Improve" in a smaller sans-serif font. To the right of the logo is a large, empty rounded rectangular placeholder. In the bottom left of the content area is a form titled "Sign In". It contains fields for "Email" and "Password", each with a placeholder "Value". Below these fields is a dark blue "Sign In" button with white text. Underneath the button is a link "Forgot password?". At the very bottom of the content area are two small links: "Don't have an account?" and "Sign Up".
